RE: Public Records Request

Dear Mr. Head:

The St. Charles Parish Sheriff's Office is in receipt of your written public records request dated September 18, 2017. Our preliminary review of your request revealed that a wide-ranging analysis must be conducted to determine the availability of the records/ documents you seek; whether the records requested constitute public records; and, whether any exceptions to the Public Records Act apply to the records.

Our limited available personnel resources preclude us from immediately responding to your request.

We will conduct a search to determine the depth and width of the review needed to address your request and will notify you in a reasonable amount of time.

If you have any questions or desire additional information please contact me.

Sincerely,

A handwritten signature in black ink that reads "Capt. Maurice Bostick".
